

NEW TO MEMPHIS LED TAXI TOP ADVERTISING

LED Taxi Tops Will Increase Your Business

Your message will be exposed to over 1,000,000 potential customers in the Memphis area.

24 HOUR COVERAGE: Your business will be seen by a large segment of the population - day and night - every day - all over town.

FREQUENCY: Attract new customers through repeated viewing which increases brand awareness and brand recall.

LOW COST: A fraction of the cost charged for billboards, TV, and radio - one of the lowest costs per impression.

EASY SET-UP: Our graphic designers will work with you to create a message that not only looks great but will also attract new customers.
